GOLD MEDAL GREEN IS LIFE 2013

Dear Sir or Madam,

WE ARE PLEASED TO PRESENT YOU THE 39TH wholesale price list of plants produced in our Nursery. This year we are offering over 300 **novelties** – plants to be used in gardens and terraces.

Similarly to the previous years, we consider introduction of further plants that are tolerant to drought and uneven precipitation within the year time to be particularly important. We offer new varieties of *Symphoricarpos*, starting with *Symphoricarpos* × *chenaultii* FIESTA BERRY. This relatively low growing, ground covering plant is the first variety of the species with white margin leaves.

This year we are also presenting new varieties bred in our Nursery:

- **Rosemary willow 'Tiny Pearls'** (*Salix rosmarinifolia* 'Tiny Pearls'), characterized by very bushy, cushion-like habit, fine, delicate sprouts and very abundant flowering. It is an excellent higher ground cover plant to be used, in particular, in places where use of indigenous species is preferred.
- **Vinca minor 'Blue Waves'**, unique due to large, dark blue flowers and extensive, fast growth. This tall variety quickly covers the ground, not allowing the weeds to grow.

We would like to pay your special attention to *Sambucus nigra* LACED UP. This is the first variety of this species with purple, dissected leaves and columnar habit. Due to very narrow habit, it is recommended to be planted in pots on balconies or terraces.

From the perennials, we recommend you a growing number of winter hardy *Chrysanthemum* with tiny flowers. These fall blooming perennials offer a wide variety of colors much more varied than popular *Aster* that blooms in autumn.

Last year's achievements of the Szmit Nursery included gold medal for *Acer truncatum* VOLCANO in the Plant Novelties Competition at *Green is Life* exhibition.

This season, we are planning to take part in the following exhibitions:

- 📍 **Four Oaks Trade Show**, Lower Withington, Great Britain, 3–4. September 2024
- 📍 **Green is Life**, Warsaw, Poland, 5–7. September 2024
- 📍 **Gardenia**, Poznań, Poland, 16–18. October 2024
- 📍 **Zielony ShowRoom**, Konstantynów Łódzki, Poland, 4–6. November 2024
- 📍 **IPM Essen**, Essen, Germany, 28–31. January 2025.

You are also invited to visit our web pages:

Selling conditions

Prices provided for in our offer are wholesale net prices applicable for garden shops and garden centers, landscape architects, companies managing green areas, plant nurseries and other persons professionally involved in the plant business. We add value added tax (VAT) to our prices. VAT rate is 8% this year.

Clients making a purchase of significant value at a time are offered additional discounts.

Our regular clients are entitled to pay by transfer.

Transport

The Nursery has its own means of transport and offers deliveries of plants to any place in Poland, under conditions agreed each time with a client.

Orders

Please send orders to our e-mail address: szmit@szmit.pl or fax no.: +48 23 672 36 27.

Bigger orders are completed within 2-7 working days.

We realize orders for soil-grown plants from 01 September.

Export

We are highly experienced in export of plants and we are fully prepared for it.

Individual sale

You can purchase all plants included in our price list as well as many other plants at our retail outlet located within the Nursery premises, open in season from Monday to Friday from 7 a.m. to 6 p.m. and on Saturdays from 7 a.m. to 3 p.m.

Retail prices, approximately 20-50% higher than the wholesale prices, apply in the case of retail sale.

Sale through mail-order is not available.

Catalog

FOR SEASON

AUTUMN 2024

Abbreviations in the catalogue mean:

the trunk diameter of the plant is mentioned only if it exceeds 6 cm

P – square pot, e.g. p9 means a pot with dimensions of 9 cm × 9 cm × 10 cm

C2, C3, C5, C10, C12, C20, C22, C30 – containers with a capacity of 2, 3, 5, 10, 12, 20, 22, 30 litres

PBR – multiplication is forbidden (variety protected)

 – a photo of the variety can be found in the album part at the end of the catalogue

 – new!

PA – standard tree form

● – formed in the shape of a sphere

▲ – formed in the shape of a cone

⊙ – formed in the shape of a spiral
